Carlos,
Here's the latest on Cedar. Also, what's the schedule for the State meetings? I would have planned to attend the meeting today but I have a scheduling conflict.
Thanks,
Lydia

Cedar Chemical	Q1	Nixon/ Moore/ Walters Benton/	9/18/12 NPL SNL issued 1/10/14
Status: 06/20/14 Five additional SNLs were mailed on 5/28/14: BP Petroleum, DuPont, BASF, FMC, and BF Goodrich. Recipients of SNL have requested an extension to respond.

We have our monthly call with ADEQ this afternoon.
Philip is on travel, please let me know the status of the Cedar Chemical enforcement activities.
Thanks CAS
